Hello. My name is ..... from Public Division, Kantar a company that conducts market and social surveys. We would like to speak with you to you regarding the support measures which Govt has announced to help during the coronavirus crisis. We are conducting this exercise with about 18000 other people across the country.

We request 15 minutes of your time. If you agree, I will ask you a series of questions. There are no right or wrong answers. You do not have to answer any question that you do not want to answer. We will treat everything you say as confidential including your name and any contacts you share. Your honest answers will help us to understand what works and what doesn't.

#### Terms and Conditions:

**Confidentiality:** If you decide to participate in this survey, your identity and the information provided by you will be kept confidential and will not be disclosed to anyone outside the research team.

**Voluntary participation:** Your selection as a respondent for this survey has been done through a random method and it is your free choice to decide to participate in this survey. If you do choose to take part, you are free to change your mind and leave the study at any point in time without any penalty.

Free to refuse: There is no compulsion to participate in this survey, although in case you decide not to participate, we would like to know the reason for your discomfort or unwillingness. However, we sincerely hope that you will participate in this survey as you can provide important information that can help policy makers. Please also note that there are no direct benefits or monetary compensation for participating in this survey.
